

DreamBox Learning for Math Handout

Below are important icons any teacher or administrator should know in order to use “DreamBox Learning for Math” in their classroom.

Drawer Icon:

School teachers and administrators will see a drawer icon (three stacked horizontal lines) on the left-side of the Dashboard Toolbar. By clicking the drawer icon, you can open and collapse the navigation pane. The navigation pane is located on the left hand side of your screen.

Support Icon:

The support icon is a shortcut to the homepage of DreamBox’s fully searchable site. If you have a question about DreamBox or the Insight Dashboard, be sure to check out they’re support site for answers.

Resources Icon:

The resources icon takes you to a webpage with helpful tools and information for your role in your students’ learning.

Roster Icon:

The roster icon is where you can find a list of all the students registered in your DreamBox classroom.

Overview Icon:

The overview icon is where you can find an alphabetical list of all the students in your DreamBox classroom. This is where you can also view progress reports and usage data, make manual edits to the roster and student information, assign specific lessons to students.
