

Plickers

Basic questions and answers teachers may have about Plickers.

Q- Who can use this tool?

A- Teachers! This tool is great for elementary, middle, and high school teachers.

Q- Why is this tool good for my classroom?

A- It is a formative assessment tool that allows you to easily access and manage your classroom results. The setup is minimal and does not take away from important class time.

Q- Why choose Plickers?

A- Plickers keeps up with your student roster by assigning your students numbers 1-63. Students have their own code to display and turn for multiple choice answers. Plickers keeps student's answers private and prevents students from choosing an answer based on their peers.

Q- When is it a good time to use Plickers in the classroom?

A- It can be used before, during, and after a lesson. You have the power to create the questions and target areas that match your lesson.

Download Information:

Website: <https://plickers.com/>

APP: Plickers

Compatible with Android and Apple.

Link to cards: https://plickers.com/PlickersCards_2up.pdf

Example Card:

- The number represented in the top right corner is your student’s number.
- The code is designed so students do not know what answers their peers are submitting.
- The letter choices are displayed small for student privacy as well as more accuracy in class results.
